

ICE AGE TOUR

Wildlife, trails, and an array of small lakes make up the Ice Age Tour. Take in the fresh air as you travel through the County Forest and the Ice Age National Scientific Reserve. If you would like to stretch your legs, there are a number of different lakes to stop and see, including Cornell Lake and Shattuck Lake.

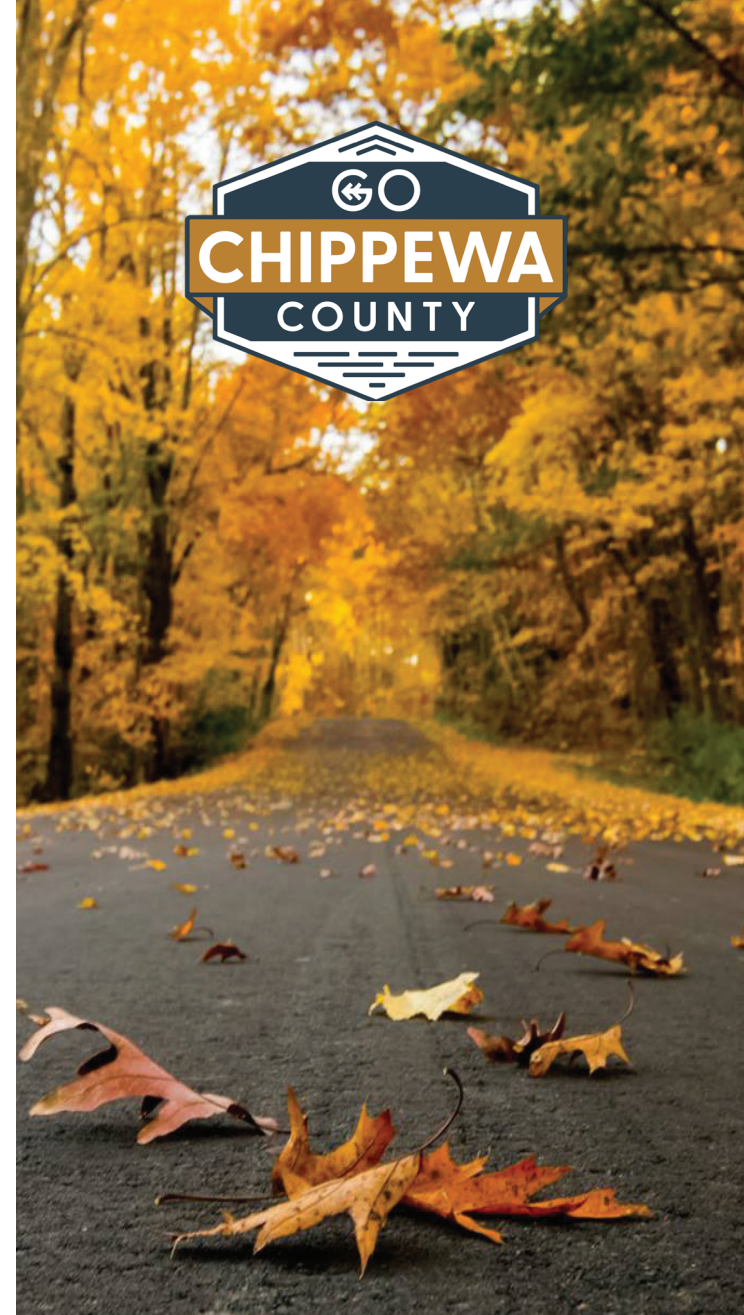

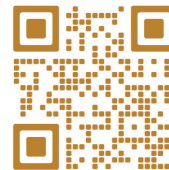

Approximately 31 miles.

OTTER LAKE TOUR

The Otter Lake Tour is for the naturalist at heart. While traveling along winding roads and over rolling hills, you may pass by an old farm, bridge, or waterway. Stanley is located along this route and has an array of things to see and do. It is home to the Ace Ethanol plant, and Chapman Park. Eat at an area restaurant, browse through local shops, stop at Otter Lake (a few miles outside of Stanley), or swing through the quaint town of Boyd.

Approximately 38 miles.
