### E911 Addressing System

The addressing grid that is the basis for the Chippewa County Uniform Addressing System originates in the southwest corner of the county and extends out toward the northeast corner of the county. The grid is similar to an XY coordinate system.

- \*1000 potential residential/business addresses per mile
- \*5000 potential addresses on each side of the road per mile
- \*An address can be assigned every 5.28ft

**Avenue (AV) Addresses**

- \*Traveling East, the address numbers will get larger
- \*Traveling West, the address numbers will get smaller
- \*The North side of the road has even number addresses
- \*The South side of the road has odd number addresses

**Street (ST) Addresses**

- \*Traveling North, the address numbers will get larger
- \*Traveling South, the address numbers will get smaller
- \*The West side of the road has even number addresses
- \*The East side of the road has odd number addresses

1000	2000	3000	4000	5000	6000	7000
10TH AV	20TH AV	30TH AV	40TH AV	50TH AV	60TH AV	70TH AV

Example addresses from above (Match on map):  
 A = 2441 20th St  
 B = 8727 20th St  
 C = 6658 10th Av  
 D = 5441 20th St  
 E = 8762 20th St  
 F = 6282 60th Av

### County Forest ATV Trail Regulations

The Chippewa County Forest ATV Trail and associated routes are typically open from May 1st to November 15th.

No off-trail operation is allowed. Violators will be prosecuted.

All rules and regulations listed in "Wisconsin All-Terrain Vehicle Laws" DNR publication Pub-LE-500 2014 apply. All motorcycles are prohibited from operating on the County Forest ATV Trail.

UTVs are allowed on the County Forest ATV Trail and associated routes. UTVs are defined as a motor-driven vehicle that does not meet federal motor vehicle standards that is not a golf cart, low-speed vehicle, three wheel, mini-truck, or tracked vehicle; that is designed to be used primarily off of a highway; that has, and was originally manufactured with, all the following:

- net weight of less than 2,000lbs
- four or more low pressure tires
- cargo load
- steering wheel
- tail light
- brake lights
- two headlights
- max width of 60 inches
- non-cradled seats for at least two people
- seat belts for each occupant
- roll bar or similar structural system or device

ATVs and UTVs may not operate on any route or trail within the County Forest during shooting hours of the regular gun deer season.

Individuals who possess a DNR Disabled Access Permit are eligible to request a County Disabled Access Permit in the Chippewa County Courthouse, room 11.

All County Forest ATV Trail closures are listed on the County website ([www.chippewa.gov](http://www.chippewa.gov)) under the Dept. of Land Conservation & Forest Management, Forest & Trails Division and on the website below (715.726.7800).

The Chippewa County ATV Trail and associated routes are managed and maintained by:

Chippewa County Land Conservation and Forest Management  
 711 N. Bridge Street  
 Chippewa Falls, WI 54729  
 (715) 726-7920
